Small Business Subcontracting Plan

- The subcontracting plan will be evaluated against the government’s Small Business Goals as follows:
  - Small Business 40%
  - Small Disadvantaged Business 5%
  - Women-Owned Small Business 5%
  - HUBZone Small Business 5%
  - Service Disabled Veteran-Owned Small Business 3%

- To achieve these goals, the Government will evaluate all large business offerors on the basis of the extent to which offerors identify and commit to utilize SB, SDB, WOSB, HUBZone, VOSB, and SDVOSB firms as joint venture members, teaming arrangement members, or as subcontractors.

Welcome to Central Contractor Registration (CCR)

Central Contractor Registration (CCR) is the primary registrant database for the U.S. Federal Government. CCR collects, validates, stores and disseminates data in support of agency acquisition missions. Click here to learn more about CCR Policy and Background.

NOTICE TO ACTIVE REGISTRANTS IN CCR: A Trading Partner Identification Number (TPIN) is a password that is used to access your Central Contractor Registration (CCR) data. Vendors that become active in CCR are issued a TPIN (password) to access and maintain their data. Because of the sensitivity of this data, CCR recommends that you do not disclose your TPIN to anyone under any circumstances. (Full Security Notice)

Most Recent Changes

CCR Changes: Early on Wednesday, September 24, 2008, the Central Contractor Registration (CCR) Update, Search, Extract, and CCRXML modules were updated to their latest releases. This release includes the addition of elements to CCR to collect Disaster Relief Registry entries. Both CCRXML and the BMP format CCR extracts will have new versions. The prior versions of each of these outputs will still be available until the end of 2008. Release Notes are coming to further fill you in on the changes.
